What we do in Lancaster Pa

Brookline Builders in Lancaster and all of southeastern Pa is committed to completing historic restoration the right way. Below is a list of just a few specialties that make us stand out from the crowd.

- We are committed to using only lime mortar in our masonry repairs, no portland.
- we are committed to not using new growth pine or fir in our wood repairs.
- We are committed to not using any vinyl.
- We are committed to recycling original architectural components.
- We are committed to helping you save and insulate your existing old windows, not replacing them with vinyl.
- We are committed to keeping as much of the original style of your structure.
- We are committed to modernizing without sacrificing the character of your home.
- We are committed to repairing your old original floor not simply replacing it.
- we are committed to replacing only the wood that is rotten, not the entire piece.
- We are committed to helping you stay in your budget.
- We are committed to historic restoration and adaptive reuse.
- We are committed to repairing your roof before just replacing the whole thing.
- We are committed to not disturbing or destroying archeological artifacts that may be on your property.
- We are committed exceeding the expectations of our customers.
